**FREE Informational Sessions on Septic System Maintenance**

**Summit County, Ohio** – Summit County Public Health (SCPH) will be hosting two free informational sessions about residential septic system maintenance. These sessions will cover how to properly maintain a septic system and the requirements of the Operation Permit program. All homeowners who have a septic system are encouraged to attend. After the presentation, SCPH staff will be on hand to answer any questions you may have about your septic system or the requirements of the Operation Permit.

The sessions will be held on Wednesday, November 6<sup>th</sup> 2019 from 9:00am to 11:00am and Thursday, November 7<sup>th</sup> 2019 from 5:30pm to 7:30pm in the auditorium at Summit County Public Health located at 1867 W. Market St., Akron, OH 44313. The sessions are free! You may register via the following links or by sending an email to [wqcomments@schd.org](mailto:wqcomments@schd.org) with your name and which session you plan to attend. Registration is encouraged, but not required to attend.

**November 6, 2019** 9:00am – 11:00am <https://tinyurl.com/scphseptic110619>

**November 7, 2019** 5:30pm - 7:30pm <https://tinyurl.com/scphseptic110719>

Additional informational sessions will be scheduled in 2020 with options for daytime or evening attendance. Please check the SCPH website at [www.scph.org](http://www.scph.org) for updated information about future events under the "News" tab.

If you would like more information or have questions, please call 330-926-5600.
