[Akron, OH] –Summit County Public Health will offer a drive thru clinic for COVID-19 vaccinations with the **Moderna Bivalent and Pfizer Bivalent** vaccine for individuals **12 years of age and older** on **Tuesday, May 2, 2023** at 1867 W. Market St. Akron, Ohio 44313 from **12:00 pm – 3:00 pm.**

**Novavax will also be offered in the drive thru for individuals interested in an alternative to mRNA vaccine.*

All three vaccines will be offered, in accordance with CDC guidelines. **Appointments are not required.** Masks are required at all SCPH vaccination clinics. **Please bring a photo ID and all previous vaccination records (if available).**

SCPH will be offering Moderna Bivalent and Pfizer Bivalent doses for the following individuals in the drive thru clinic on May 2nd:

- Age 12 and over who are unvaccinated
- Age 12 and older who have received 1 or more monovalent doses (have NOT had a previous bivalent dose); **at least 8 weeks after the last dose**
- Age 65 and over; **after at least four months after last bivalent vaccine**
- Immunocompromised; **after at least two months after last bivalent vaccine**

**For the vaccination of children under 12 years of age please call the SCPH clinic at 330-375-2772 to schedule an appointment.*

SCPH encourages those residents who are vaccinated and unvaccinated to continue to engage in safe and effective behaviors to reduce the spread of COVID-19:

- Stay home if you're sick, even with mild symptoms
- Be mindful in your interactions with others. Limit your chances of exposure by maintaining social distancing of at least six feet from non-household members
- Follow good hygiene standards:
- Wash hands frequently with soap and water for at least 20 seconds
 - Use hand sanitizer frequently
 - Avoid touching your face
